PAYDEN & RYGEL JOB OPPORTUNITY

AUGUST 2023

COMPANY OVERVIEW

Payden & Rygel is one of the largest independently owned global investment management firms. We offer a full array of investment strategies and products, including fixed income, equity, and balanced portfolios as well as U.S. and offshore commingled funds, to a varied client base worldwide. While we have grown and expanded considerably since our inception in 1983, we remain committed to providing customized investment management solutions that focus on each client's specific needs and objectives.

JOB TITLE

Client Portfolio Manager

JOB DESCRIPTON

The Client Portfolio Management Team works closely with the Strategy Team to manage client portfolios. The role of the Client Portfolio Manager is to ensure that we understand exactly what our clients' current and future expectations are in terms of performance objectives, risk tolerance, and investment style, to communicate these expectations to the relevant strategy group, and to ensure that each mandate being delivered is entirely consistent with client objectives.

Delivering excellence in servicing while strengthening existing and developing new client relationships are critical functions of this role.

JOB RESPONSIBILITIES

- Serve as a senior member of the Portfolio Management group, collaborating with team members across strategies in monitoring portfolios daily for adherence to guidelines, client objectives, and product strategy.
- Lead client portfolio reviews and discussions and serve as the primary contact in identifying and introducing other Payden & Rygel strategies and services to existing and prospective clients.
- Oversee the day-to-day needs of select clients and related consultants, including the fulfillment of data queries and periodic and ad hoc reporting requests.
- Communicate effectively with internal parties regarding client account-related issues including, but not limited to, cash flow information, client concerns and issues, and strategies employed.
- Collaborate with various Payden teams and help to author thoughtful and engaging content.

QUALIFICATIONS

- 12 plus years of work experience in a client service, product management, or fixed income portfolio manager role.
- Knowledge of the institutional investment management industry and public fixed income markets a plus.
- Ability to partner with and consult clients and prospects on appropriate strategies to meet their unique return objectives and risk tolerances.
- Strong written and verbal communication skills.
- Positive teammate, organized, holding oneself to the highest of standards with attention to detail paramount.

EDUCATION

Bachelor's degree required. CFA is strongly preferred. A graduate degree is a plus.
